

Contact — /contact

Route: /contact (with query param support: ?topic=research , ?topic=partnerships , ?topic=press) **Primary keyword:** contact Daemon. **Tone:** institutional. No demo form. No sales funnel. Direct mailbox lines.

Section 1 — Hero

Heading: Contact.

Sub-line: Daemon does not run a sales funnel.

Body (one paragraph): Inquiries from sovereign institutions, enterprise operators, research collaborators, and capital partners are handled directly by the relevant Daemon office. Every inquiry is read by a member of the founding team or the named office below.

Section 2 — Office routing

Heading: Where to write.

Body intro (one line): Inquiries are routed by office. Use the address that fits the engagement.

Office routing list (vertical, each entry: office · purpose · mailbox):

Company office

General inquiries, partnerships at the company level, executive engagement, press, and any inquiry that does not fit a more specific office. office@daemon.com

Research office

Academic collaboration, doctoral residencies, visiting researcher programs, and inquiries directed at any of the four internal labs (Orpheus, Mnemosyne, Atar, Thaleon). research@daemon.com

Partnerships office

Infrastructure partnerships, hardware co-design, foundation-model collaboration, and engagements that span multiple Daemon divisions. partnerships@daemon.com

Product offices

Direct engagement for each of Daemion's four products.

- Eidolon (consumer): eidolon@daemion.com
- Kheiron (executive): kheiron@daemion.com
- Merqis (enterprise): merqis@daemion.com
- Aevum (civilizational): aevum@daemion.com

Press and media

Interviews, published commentary, conference appearances, and press inquiries.

Section 3 — Headquarters

Heading: Headquarters.

Address block:

Daemion [ADDRESS TBD — street, area, postal code] Dhaka, Bangladesh

Operating hours: The Dhaka office operates Sun-Thu, 10:00-19:00 Bangladesh Standard Time. Friday and Saturday correspondence is acknowledged the following Sunday.

Visiting: Daemion does not maintain a walk-in surface. In-person meetings occur by prior arrangement only.

Section 4 — Response posture

Heading: What to expect.

Body (one paragraph): Routine inquiries are acknowledged within two business days.

Substantive responses follow on a cadence appropriate to the inquiry — same week for partnerships, longer for research collaborations and sovereign engagements requiring internal coordination.

Daemion does not auto-respond. Every reply is composed by a person at the relevant office.

Section 5 — What Daemion does not handle

Heading: Out of scope.

Body (single paragraph): Daemion does not respond to unsolicited sales outreach, conference-speaker requests outside the press office, marketing partnership pitches, or recruiter inquiries unrelated to active candidates. Submissions of this kind are not acknowledged and are filtered at the inbox layer.

Section 6 — Optional inquiry form (minimal)

Heading: Inquiry form.

Body (one line): For inquiries where direct email is not preferred, the form below routes to the Company office.

Form fields (minimal — no marketing capture):

1. **Name** (*required*)
2. **Institution / organization** (*required*)
3. **Role** (*required*)
4. **Office** (*dropdown — Company / Research / Partnerships / Eidolon / Kheiron / Merqis / Aevum / Press / Careers / Security / Privacy*)
5. **Inquiry** (*textarea, required*)

Submit button:

Below the form (one line, small text): Submissions are routed to the selected office.

Acknowledgment within two business days. Daemion's privacy practices are described in [Privacy](#).

Success state:

Inquiry received. The {office} office will respond within two business days.

Copy review checklist

- ☐ All mailboxes listed are live and routed before publish (10 distinct mailboxes)
- ☐ `[ADDRESS TBD]` replaced with real Dhaka office address
- ☐ PGP key URL for `security@daemion.com` populated
- ☐ No forbidden words (`brand/voice.md`)
- ☐ No demo CTA. No "book a call." No funnel mechanics.
- ☐ `Organization` and `LocalBusiness` schema both rendered in head
- ☐ Inquiry form integrated with anti-spam (honeypot or hashed challenge — no third-party reCAPTCHA, which conflicts with the no-tracking posture)
- ☐ Form submission logging respects `privacy-policy.md` (no analytics on this surface)
